Located in the heart of **Marbella**, our language school offers English courses at its facilities. In addition, they can also be arranged at the **student's home** or at the headquarters of a company.

Only now, at the same price, for those students who cannot travel to our school in Marbella, or just prefer to learn from home, we offer the option to take (both group or private) online English lessons, given by our teachers via videoconference.

Group classes have a set schedule of 10, 4 or 3 hours per week.

In case you have paid for a block of 4 weeks and then decide to have a break, if you give at least one week's notice, you will not lose the weeks you have already paid; just keep in mind that you can only postpone whole weeks, but not single days.

Private classes can be one-to-one, or they can be arranged for a closed group of people who have the same level and the same focus. They have the advantage of being personalized and organized at the time you need (both morning or afternoon), even during the weekend.

They can be given at our school's premises, at the student's home or at the company's headquarters.
